Descrição The idle clicker game banana game lets players take control of a banana farm. Gathering as many bananas as you can, improving the farm, and gaining access to new items to hasten the harvest are the objectives of the game. With easy gameplay—just click to harvest—and the ability to automate the process as players advance through the levels, players will love the thrill of watching their earnings grow over time. Suitable for players who enjoy clicker games, the game adds a light entertainment element.
