<b>Versão:</b>	
<b>Descrição</b> BitLife is a solitary life simulation game in which players make decisions via a series of <a href="#">bitlife</a> multiple-choice questions as their character develops inside the game. Life is a game that follows the individual from birth to adulthood, compelling them to make decisions that will impact their future, including their selection of academic pursuits. Throughout gaming, players may choose the use of their spare time, manage their funds, and select their social affiliations.
