<b>Descrição</b> Unique soccer game <a href="#">soccer random</a> brings surprises and enjoyment by using ragdoll physics and random components. For those looking for a light but equally appealing entertainment experience, this is absolutely a terrific alternative with basic gameplay, cute pixel graphics and the possibility to play with pals. Every squad in Soccer Random comprises of two players under single button control. Players kick the ball by jumping using the up arrow key or the left mouse button. Every button push will manage both team members, generating humorous and unexpected circumstances. To prevail in the game, one must score five goals before the opponent.
