Descrição	
<p>Crossy Road is an endless arcade-style game developed by Hipster Whale and released in 2014. The objective is to control a character and help them cross endless roads, rivers, and other obstacles without getting hit or falling.</p> <p>crossy road features randomly generated levels that become progressively more difficult the further the player progresses. There is no definitive ending to the game - it is designed to be an endless experience where the player tries to achieve the highest score possible.</p>
